RE: BellSouth Long Distance, Inc. d/b/a AT&T Long Distance Service
Request to Revise Maximum Rate and Actual Rates for Residential Message
Telecommunications Service ("RMTS")

Dear Mr. Terreni:

BellSouth Long Distance, Inc. d/b/a AT&T Long Distance Service ("BSLD")¹ encloses, in sealed envelopes, unredacted versions of AT&T's Request to Revise Maximum and Actual Rates and of the Verified Direct Testimony of Kimberly A. Williams. These documents are protected from public disclosure by Order No. 2007-191 that the Public Service Commission of South Carolina ("the Commission") entered in this docket on March 20, 2007, and they bear red markings to that effect. By copy of this letter, I am serving the Office of Regulatory Staff with copies of the enclosed documents bearing these markings in sealed envelopes. Finally, while AT&T is e-filing a copy of this cover letter, AT&T is not e-filing copies of these unredacted documents.

Sincerely,

A handwritten signature in black ink that reads "Patrick W. Turner". The signature is written in a cursive, flowing style.

Patrick W. Turner

¹ The "BSLD" designation is used in this letter and the attached documents to avoid confusion between BellSouth Long Distance d/b/a AT&T Long Distance Service and any other affiliated entity that provides toll service in South Carolina under the AT&T brand (and whose offerings are not affected by this filing).
